Headline:
Rather cloudy today with patchy light train. Turning drier overnight.

Today:
A cloudy start for most, with low cloud shrouding western hills and bringing some outbreaks of light rain or drizzle through the morning. A drier afternoon with bright or sunny spells. Breezy in the north, particularly towards the coast. Maximum temperature 21 deg C (70 deg F).

Tonight:
Largely dry during the evening and overnight but remaining cloudy with perhaps a few drizzly spells over high ground in the south. Winds mostly light. Minimum temperature 9 deg C (48 deg F).

Saturday:
Saturday will be a largely dry day, but often cloudy with some bright spells or sunny spells, these becoming most widespread for the afternoon. Maximum temperature 20 deg C (68 deg F).

Outlook for Sunday to Tuesday:
Scattered showers and sunny spells for Sunday morning, before a band of rain, arrives overnight. Further showers for Monday and Tuesday these heavy at times.
